

**PETITION TO SANCTION MR. FRED OWARE, MR. KWABENA SENKYIRE AND THE MEMBERS OF DR. BAWUMIA'S CAMPAIGN TEAM FOR BREACHING ARTICLE 3 SECTION 5 (4) & ARTICLE 4 (7a) OF THE NPP CONSTITUTION.**

FROM: Mr Michael Awotwi and others

TO: THE ASHANTI REGIONAL DISCIPLINARY COMMITTEE OF THE NEW PATRIOTIC PARTY (NPP) , KUMASI

The New Patriotic Party (NPP) on Tuesday, July 27, 2021, in accordance with *Article 18* of the NPP Constitution formulated a new code of conduct to guide members of the Party in respect of the Presidential and Parliamentary primaries for the 2024 Elections.

The regulations, amongst others, mandates party members prior to the opening of nominations for the primaries for the 2024 General Elections, not to initiate early gatherings camouflaged as activities or meetings which have the tendency of promoting the interest of a prospective presidential or parliamentary candidate, and also, cautions members of the NPP to desist from using their public office or portfolios within or outside the party to promote the interest of any prospective Presidential or Parliamentary Candidates in order to gain unfair political advantage.

However, on the contrary, some members of the Campaign team of Dr. Bawumia, led by Mr. Fred Oware, have been captured in an audio message and a video footage, defying these directives in the Ashanti Region and this, we want to bring to the attention of the National Complaints Committee, General Secretary and the *National Executive Committee* of the NPP.

In the said audio, Mr. Fred Oware, Chief of Staff at the Office of the Vice President and Mr. Kwabena Senkyire, First Vice Chairman of the Ashanti Region are heard distributing 200GHC to each of the electoral coordinators and constituency chairmen present, as well as, influencing and coercing them to support the presidential bid of the Vice President.

Indeed, this action contravenes to the code of conduct for the 2024 Presidential and Parliamentary Primaries of the Party and a breach of *ARTICLE 3 SECTION 5 (4) & ARTICLE 4 (7a)*.

We believe this infraction committed by the Campaign Team of Dr. Bawumia is certainly deliberate attempt to disregard the Constitution of the Party and an abuse of Power.

We are therefore, petitioning the National Executive Committee and the National Complaints Committee through the General Secretary to as a matter of urgency investigate and bring finality to this matter.

We are also of the firm hope and believe that, the appropriate disciplinary sanctions will be taken against Mr. Fred Oware, Mr. Kwabena Senkyire and the culpable members of Dr. Bawumia's Campaign team who embarked on such flagrant breach to the NPP's Constitution in the Ashanti Region.

We hope that, our petition would be given the necessary consideration and the offenders

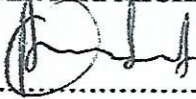

sanctioned to deter others from embarking on the same conduct.

Please find attached as an appendix, the itinerary of Dr. Bawumia's Campaign Teams in the Ashanti Region, in addition to audio recordings of activities during some of their meetings
